

# FREE CHART: Mosaic Gift Cards

designed by Su Mwamba, © TangleCrafts 2007

## TIPS & INSTRUCTIONS

1. The colours on the chart are used for clarity only – choose your own favourite combination of toning or contrasting colours.
2. Use 6 strands of 6-ply cotton throughout, on 18ct canvas.
3. This is a layered design. Look carefully at the charts to see where stitches are placed **OVER THE TOP** of the contrasting colour.
4. Stitch designs working outwards from the centre.
5. Finished designs are ideal size for mounting as gift tags or greeting cards.
6. Experiment by repeating each design in a block of 4 (2 across, 2 high). Reverse the colour placement and create a checkerboard effect.
